**An intermediate level qualification for anyone looking to explore the world of wine. Through an immersive and interactive course, you'll discover the world's major grape varieties, the regions where they are grown, and the factors that affect style and quality in wines.**

**Upon completion you'll gain a globally recognised qualification and the skills to select, taste and describe wines with confidence.**

## What you'll learn:

- How grape-growing, winemaking and maturation factors influence the style and quality of wines
- Key labelling terms used to indicate origin, style and quality
- The style and quality of wines made from 30 grape varieties and in over 70 geographical indications (GIs)
- How grape varieties and winemaking processes influence key styles of sparkling and fortified wines
- Principles and processes involved in wine storage, service and food pairing
- How to describe and assess wine using the WSET Level 2 Systematic Approach to Tasting Wine®
